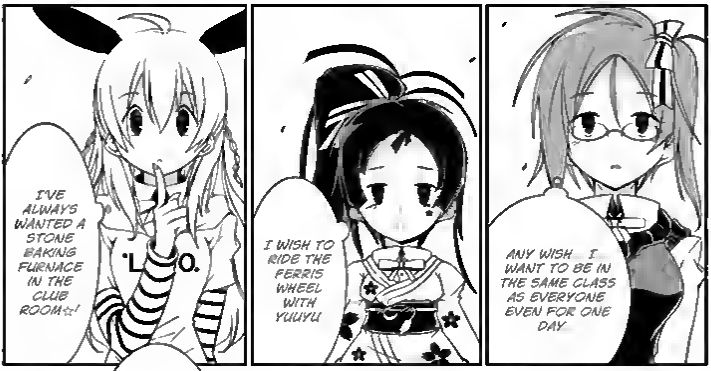
TL NOTE: THE NAME OF THE SCHOOL
I, Aozakura Yuuji, announce
That we'll be hosting the Miss Sakurajima* Grand Prix contest!
Oh, I've already given him permission
I'm sure Kotoko-senpai would never allow a swimsuit contest to be held
Eh?
Although excessive exposure and the production may be worrisome,
I like the idea of letting everyone enjoy their time under the summer sun
SFX: BAM!
As expected of Aozakura-ra-kun He knows when to act
Wappu-! I've seen this on TV☆ Much like a fisherman getting a big catch with some lure☆
But this is Yuugu we're talking about. His aim must be attaining models
Why fish netting !?
SFX: WHAT THE-?

And for the winner, I will personally grant whatever wish she asks for♪
This is a chance for all participants to wear the newest selection of swimsuits from the Aozakura group's fashion brand - BLUE FLOWER!



I'VE ALWAYS WANTED A STONE BAKING FURNACE IN THE CLUB ROOM☆!
I WISH TO RIDE THE FERRIS WHEEL WITH YUUYU
ANY WISH... I... WANT TO BE IN THE SAME CLASS AS EVERYONE EVEN FOR ONE DAY

MAYBE HE CAN GET ME THE EXCLUSIVE TICKET TO THE GIANTS SHOW...
You all look interested
As long as it isn't the school-issued swimsuit, I will join
Because of the size
Eh? Why is the school-issue no good?
Uh, what size?

SFX WHISPER
What would happen if it ripped?
The breast
SFX RIP
Wait, how big are they!?
That would... surely be trouble-some...

This is nerve wracking

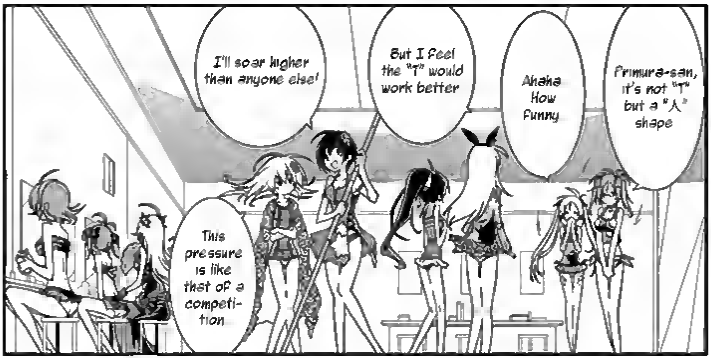
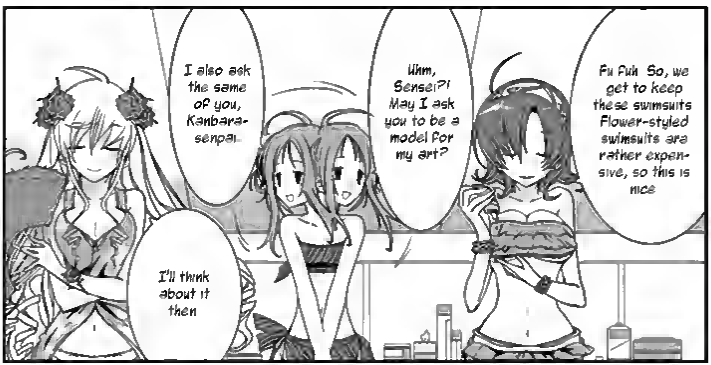
Yaccchi! Just because you're the student prez, I won't go easy on you!
All for my master~♪



I'll soar higher than anyone else!
But I feel the "人" would work better
Ahaha How funny
Primura-san, it's not "人" but a "人" shape
This pressure is like that of a competition



I also ask the same of you, Kanbara-senpai.
I'll think about it then
Uhm, Sensei?! May I ask you to be a model for my art?

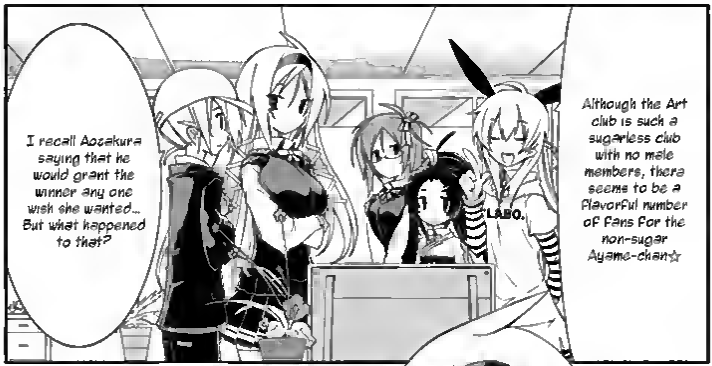
Are you all right? Or should I perform CPR to-
No thanks.
But... thank you.
No problem♪

Yuuyu is the best at bringing out her beauty
I do, too. But just look at her beautiful smile.
Then how about we come up with a title for the two?☆
I'm feeling a little jealous of Mikoto-san
And the title for this is...
"Jealous-sick Park and the Volcano Couple - The Amorous Two who Melt Everyone Around"

花みちおとめ

2011 Miss SakuraNamiki
Thou art right I werst thinking it would be either Mikoto or Kotoko-dono
The winner was Kushigata Ayame-san. Everyone was so surprised, even the winner herself
THE STRANGELY SWEET FLOWER ARRANGEMENT CLUB



I recall Aozakura saying that he would grant the winner any one wish she wanted... But what happened to that?
LABO.
Although the Art club is such a sugarless club with no male members, there seems to be a flavorful number of fans for the non-sugar Ayame-chan☆

I'm just kidding♪ No need to worry
Eh?
Maybe she asked him "be my boy-friend" When saving you, Mikoto-chan, Yuuji-kun was rather spectacular and handsome
..W-well, I'm not worried in the first place

Yuuji-kun should be standing as a model for the Art club as we speak
What in the world?
Do you want to see him?
No thanks!
